Exploded view 1/2

Explodierte Ansicht | Dessin technique | Rozkres
Vista en despiece ordenado

This exploded view diagram illustrates the assembly of the server chassis. The main components shown include:

- Internal Components (Left):** Two fans (61) with cables (78), a power supply unit (80), a fan controller (79), and a cable management bracket (77). Below these are various cables (76, 75, 74, 73) and a power connector (70).
- Main Chassis (Center):** The central unit (62) with various internal modules (62a, 62b, 62c, 62d, 62e, 62f) and a front panel (63). The front panel has multiple ports (63a, 63b, 63c, 63d) and a handle (64). Other components include a cable (66), a connector (65a), a bracket (65b), a cable (65c), a bracket (67), a cable (68), and a cable (69).
- Mounting Hardware (Right):** A long vertical rail (81) with a handle (82) and a bracket (83). A horizontal rail (84) with a handle (85) and a bracket (86) are also shown. A cable (87) is connected to the front panel.
- Base Mounting (Bottom):** A base plate (90) with mounting brackets (91) and a cable (92).
